

FRECCIAROSSA MILANO JUMPING CUP

FRECCIAROSSA MILANO JUMPING CUP 2022 ENTERTAINMENT, GAMES FOR CHILDREN, MUSIC AND DJ SETS: ALL THIS IS "THE VILLAGE", OPEN AT THE SAN SIRO RACECOURSE DURING THE THREE-DAY SHOW JUMPING EVENT

Milan June 21, 2022 - Only a few days left before the opening of the second edition of the **Frecciarossa Milano Jumping Cup**, which will open the doors of San Siro racecourse to the great jumping show from June 24 to 26.

Beside the rich international sports program - with the world number one **Martin Fuchs** joining the contest - there are many activities planned for both adults and children: the audience will enjoy "**The Village**," the large open-air village surrounded by nature built in the racecourse. There will be a large food area with **8 food trucks**, serving different food and wine proposals, **20 country chic style picnic sets** where it is possible tasting the food served by the trucks distributed into the village. Some further activities addressed to adults and children will be available.

Street performers, stilt walkers, giant soap bubbles, jugglers will surprise the children with different shows during the event. Also for children, **jumping workshops, play corners** and other activities will be organized by the **Francesca Rava Foundation**, the non-profit organization that helps distressed children and adolescents, fragile mothers and women in Italy, Haiti and around the world.

The **Village** of the **Frecciarossa Milano Jumping Cup**, means also **great music**. On **Friday, June 24**, it is scheduled the performance of **Norabee**, a DJ highly appreciated in the Italian and international scene thanks to his eclectic personality and music culture; on Saturday, **June 25**, from the terrace of the Palazzina del Peso, the composer and arranger **Vincenzo Marino** will enchant his audience live with saxophone and flute. On **Sunday, June 26**, it will be the time of **Simone Glionna, aka 'Glionna'**, DJ and Producer from Milan who can combine commercial vocals with Groove, House, Future House sounds, creating harmonious and energetic sets.
